STARDUST

Comfort with a touch of the Orient

This lodge stands out with its distinctive double roof, which provides extra ventilation and is perfect for warmer climates. You can even add air conditioning for extra comfort. To create the ultimate outdoor feeling, the front side can be opened completely. After a long day of exploring, your guests can relax on the spacious veranda and watch the sun go down.

The two person Stardust offers your guests plenty of space and the comfort of a luxurious hotel room, yet surrounded by nature. More guests? Choose our Stardust family edition with two bedrooms for a maximum of five persons.

Our popular Stardust glamping tent is also available in a more compact version. This Stardust 32 offers the same luxury hotel experience with a practical layout for maximum comfort on smaller campsite pitches.
